WHY MOST BUSINESS OWNERS NEVER BUILD WEALTH

It's not about how much money you make.
It's about how you **manage** it.

THE PROBLEM:

- ✗ **EVERYTHING GOES INTO ONE ACCOUNT.**
When all your money is mixed together, you lose control.
- ✗ **TAX MONEY GETS SPENT.**
When tax time comes, you're scrambling and usually come up short.
- ✗ **PERSONAL EXPENSES MIX WITH BUSINESS.**
It becomes impossible to know what's profit and what's just spending.
- ✗ **NO PLAN. NO SYSTEM.**
Without a plan, your business runs you instead of you running your business.
- ✗ **MONEY DISAPPEARS.**
No tracking. No purpose. No wealth. Just a cycle of stress and bills.

Wealth is built with intention,
protected with discipline,
and grown with a system.
Let's fix that.

THE SOLUTION:

Give every dollar a job before you spend it. That's how you stop reacting to your business and start running it like a **CEO**.

THE 5 PRINCIPLES OF WEALTH BUILDING

CONTROL

Know where your money is going. You can't manage what you don't measure.

CLARITY

Separate your money so you can see clearly and make better decisions faster.

CONFIDENCE

Be ready for taxes and slow months without stress or excuses.

FREEDOM

Build wealth on purpose so you're not trading time for money forever.

GROWTH

Invest in your business and your future so your income has no limit.

Most people work for money. CEOs put their money to work.
That's how **empires are built**.

BUILD. SAVE. INVEST. SCALE.

EXAMPLE ALLOCATIONS

Your income is automatically distributed to the 5 accounts so you're covered, growing, and building wealth.

INCOME	OPERATING EXPENSES 50%	TAXES 25%-30%	OWNER'S PAY 20%	BUSINESS GROWTH 2.5%	PROFIT & EMERGENCY 2.5%
 LOCAL COURIER Daily Runs \$600/Day	\$300.00	\$150-\$180	\$120.00	\$15.00	\$15.00
 SPRINTER VAN Regional Runs \$1,400/Week	\$700.00	\$350-\$420	\$280.00	\$35.00	\$35.00
 26FT BOX TRUCK OTR Loads \$3,000/Week	\$1,500.00	\$750-\$900	\$600.00	\$75.00	\$75.00

THIS IS THE POWER OF THE SYSTEM:

You never have to think about where money should go.
The blueprint handles it—so you can focus on the road and scaling your business.
